

ほうき星

1. 夜空を見上げ一人 ほうき星を見たの
[Looking up at the night sky alone, I saw a comet]
一瞬で弾けては 消えてしまったけど
[It suddenly appeared but then disappeared]
あなたのこと想うと 胸が痛くなるの
[When I think of you, my chest begins to hurt]
今すぐ会いたいよ だけど空は飛べないから
[Right now I want to see you, but I can't fly through the sky]

- Chorus:** もしあたしが ほうき星になれたならば
[If perchance I could have become a comet]
空駆け抜けて 飛んでいく
[I would go flying through the sky]
どんな明日が来ても この想いは強い
[No matter what kind of tomorrow comes, this thought is strong]
だからほうき星ずっと 壊れないよ
[Therefore my comet is unbreakable]
2. 雨が降って嫌だと ぼやいていた時に
[As I complained about the unpleasant falling rain]
あなたが言ったこと 今でも覚えてる
[Even now I still remember what you said]
雨の後の夜空は 綺麗に星が出る
[How, after the rain, the night sky is beautifully filled with stars]
それを考えると 雨も好きになれるよねと
[Thinking of that, I could even come to like the rain]

- Chorus:** もしあたしがほうき星になれたならば
[If perchance I could have become a comet]
溢れる光降らすよ いつも
[I would always spill my overflowing light]
悲しい時 夜空見るあなたが
[As you look at the night sky when you're sad]

ほうき星

え がお 笑顔になるように かがや もっと輝きたい
[I want to sparkle more so that you will smile]

3. ひとり あなたはいつも一人 なに たたか 何かと戦ってる
[You are always fighting something by yourself]

そば 傍にいることしか あたし あたしにはできないけど
[Being by your side is all I can do]

Chorus: ほし もしあたしが ほうき星になれたならば
[If perchance I could have become a comet]

そら か め と 空駆け抜け飛んでいく きっと
[I would go flying through the sky, for sure]

かなら とど 必ず届く いっしゆん ひかり この一瞬の光で
[I would definitely reach you, with this single moment of light]

て あなたのイマ照らし そら めぐ 空を巡ろう
[Lighting up your present and passing through the sky]

ほし あたしが ほうき星になれたならば
[If perchance I could have become a comet]

そば きっと傍にいてあげる とき どんな時も
[I would surely stay by your side, at any time]
